The permit is granted under the following conditions:

1. One pet/aquarium per household is allowed.
2. The pet must always be kept on leash when moving around the property.
3. The pet may not inconvenience the property's other tenants.
4. The pet may not be walked in the playground areas.
5. The owner is responsible for making sure their pet does not contaminate the buildings open- and green areas.
6. If you have a dog/aquarium it must be insured so that any damages the dog/aquarium directly or indirectly may cause can be repaired.
7. If you have a dog or cat it must have a microchip or ear tag.
8. In the case of a justifiable complaint, the pet permit will be repealed.
9. If the pet permit is repealed as mentioned in point 8, then the tenant is obligated to immediately get rid of the pet, as the tenant will be in violation of the rental terms and thus considered in breach of their contract.
